

Step-by-step: How to apply for a TIDS number

What you need before applying

Make sure you have the following ready to upload:

- **Legal/business registration proof**
Document showing the legal form and ownership of your business (e.g. certificate of incorporation or equivalent).
- **Business registration & tax ID**
Your official business registration number and/or tax registration number.
- **Business bank account proof**
A bank letter or statement in the business name.
- **One recommendation letter**
From an IATA airline, a GDS (e.g. Amadeus, Sabre), or a major travel industry supplier.
- **Travel-services licence (if applicable)**
Only needed if your country requires a licence to sell travel services.
- **Signed TIDS Terms & Conditions**
These are included in the application and must be accepted before submitting.
